Real Estate for Sale.

REAL ESTATE FOR SALE BY ANDERSON REAL ESTATE AND LAW CO., Eleventh Street, near Main, City, Farm and Suburban Land-Sellers;

Farm and Suburban Land-Sellers:

FARMS.—BACK TO THE COUNTRY IS
a tople more than ever before discussed and dreamed about by city
people. Why? Answer. The increasing burden of the cost of living, the
wearing pace of social and business
life and the wholesome desire of a
saner and less complex environment
have turned a tide of emigration toward the village and the farm. As
real estate values are to-day the
cheapest investment in this country
is a farm. It is easy to prove that
an income of \$1,000 in the country
is worth a city income of \$2,000. The
difference is saved in the cost of
living and the fact that the country
home helps to support itself. Mr.
Anderson, of the Anderson Real Estate and Law, is making a specialty
of the farm traffic. He is making it
a study. No firm can offer you
such attractive bargains, nor will
they take the same interest in you
